7. (Internal Use Only - LLM) Mr. Albert Westphal, Staff Consultant, House Committee on Foreign Affairs, called to ask if he could insert in the record the Agency's report on H.R. 6277. I told Mr. Westphal that there was no objection at all and that the purpose of writing the report in the first instance was to go on record in support of the two provisions in the Bill which we commented upon, and Mr. Westphal thanked us for our support.

8. (Internal Use Only - LLM) [redacted] Chief of Reference, Map Library, called to indicate that the Army Map Service had received an inquiry from Mr. Jim Sledd, Executive Secretary to Representative Hastings Keith (R., Mass.) for a copy of a small-sized map of Vietnam. The Army Map Service is unable to fulfill this request and referred the matter to [redacted] This unclassified map will be ready to deliver to Mr. Sledd by a member of the Office of Legislative Counsel on Friday.

9. (Internal Use Only - LLM) Senator Walter Mondale (D., Minn.) called me at home last night to indicate that he would unfortunately have to cancel out on the breakfast appointment we had set up with the Director and others. He wanted the Director to know how sorry he was of this last minute cancellation and that he was unable to make the breakfast because of the Housing and Urban Development Bill which will be considered by the Senate tomorrow in which he will be playing a "meaningful role" preliminary to the Senate's consideration of it in the chamber tomorrow. I said that I would pass on his regrets to the Director and that the Director fully understands the situation, and that we are hopeful that we might be able to make arrangements for getting together when it is next convenient. Left messages at the offices or homes of all Agency members who had been invited and cancelled out the security escort and breakfast arrangements through the Watch Office.
